Re: The Chemical Recovery Systems Site, Elyria, Ohio
Response to Notice of Potential Liability

Dear Ms. Sheppard-Johnson:

In response to your notification of Parke-Davis as a potentially responsible party for the above referenced site, we will work with the USEPA to assess our connection to this matter, and admit no liability, and reserve all applicable defenses and rights to which we may avail ourselves under applicable law.

We will forward our responses to the CERCLA 104(e) information request within 30 days from the date of the receipt of the notice, January 28, 2002, or in the alternative, request an extension if unable to complete the documentation collection within the allotted time frame.

With respect to nexus of Parke-Davis & Co. to the identified site, we are in receipt of an accounts payable notation dated 1978 and a purchase/payment journal entry for 1977. To the extent additional nexus information is in your possession, please forward a copy of the same to me in a timely fashion.
